In all the Dioceses of the United States of America, January 22 is observed as a particular day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion.

MAY EVERY HUMAN LIFE BE PROTECTED IN LAW AND WELCOMED IN LOVE

As Catholics the sanctity of life and the right to life comes without question. We need to protect life especially the lives of the most vulnerable. Let us pray for all life especially for the lives of the unborn as they do not have a choice in whether they live or die.

*Heavenly Father,
You are the source of all life, help us to protect all life from the moment of conception to death as we respect that all life comes from You and has inherent dignity. We pray that those who vote and are in power will choose to protect LIFE both morally and legally. Amen*

Men's Acts Prayer Wheel
Is set up in the entrance of the church, please sign up to take an hour to pray for the Men's ACTS Team and retreatants during their retreat Feb 2-5, 2023.

Schedule of Mass Ministries

January 22, 2023 —Third Sunday in Ordinary Time

Today's readings remind us that stewardship is not just a thing we do — rather, stewardship is at the core of who we are as disciples of Christ.

Our first reading, from Isaiah, contains this prophecy of Christ and what His saving message would mean to all who embrace it. "The people who walked in darkness have seen a great light; upon those who dwelt in the land of gloom a light has shone." We are among those blessed people on whom the light of Christ has shone. By virtue of our Baptism, we, who were once in the darkness of original sin, have been reborn into the great light that is God's grace in us. We are cherished members of God's family.

What a privilege! Yet, with this privilege comes the responsibility to actually live for God and to bring His Good News to all those we meet — at work, at school, in our community and right in our own home — in other words, to live as His good stewards.

And there is a certain urgency that comes with the call to a stewardship way of life as we see in our Gospel passage from Matthew. Jesus says, "Repent, for the kingdom of heaven is at hand." In other words, turn away from selfishness, turn towards God and live as His disciple now — don't wait!

In this same passage, the very first disciples give us examples of a good steward's prompt "yes" when the Lord called to them. Our Lord invites them to "Come after me and I will make you fishers of men." They did not hesitate but "at once they left their nets and followed him." They put our Lord and His will first.

This is the essence of a stewardship way of life — to be always ready for the ways that our Lord is calling us to bring His light to others. It's more than something we do — it's who we are
